**The received list represents applicants who provided documents per the Exhibit checklist.**  
**Creating a Sharepoint folder does not constitute a valid application; The Missing Middle application, proforma and exhibits need to be uploaded before MSHDA can review your submission.**

Applications received on the same day before 4:00pm will be ranked according to the amount of Missing Middle Funding per Missing Middle unit that is being requested and those applications requesting the least amount of Missing Middle Funding per Missing Middle unit will be reviewed first before those applications requesting more Missing Middle Funding. Applications submitted to MSHDA prior to the funding round due date will be considered as submitted on the Funding Round due date.
